

# Micro:bits

**Micro:bits are tiny programmable computers designed to make learning code easy and fun!**

 **micro:bit**

**You can use a micro:bit to make anything from a robot to a musical instrument - the possibilities are endless!**

## **Borrowing Micro:bits**

**You can request a micro:bit at any Dorset library and you can borrow it for free for up to 3 weeks.**

Please ask library staff for details.
