Cycling up through our valley on my way to Litton Cheney for the first service for Trinity Sunday morning, I was overtaken by Pete and Gill Mayo who were travelling, in their four-wheel Utility Task Vehicle, out to fields where they keep some of their livestock. The moment of their overtaking me on the road was

something I could not have caught in a photograph, even if I'd had a camera at hand. It happened in an instant. Gill and Pete's three collies were frisking around in the back of the Kawasaki, enjoying the ride, and one of them stood leaning out, straining towards where the roadside cow parsley was thickest. A shower had just crossed the valley and the parsley was rain-laden. As the sheep dog's nose trawled through the stems there was a shower of sunlit water, a brief glory of moisture, backlit and breathtakingly beautiful. Shortly before I presided at the Trinity Sunday communion service, I made a quick sketch of what I'd seen.

*Three dogs – what a gift for Trinity Sunday!* The means of transportation may have been a *Utility Task Vehicle* but there was nothing utilitarian about the behaviour going on in the back. It was all sheer pleasure, gratuitous *delight*. We were to hear that word *delight* in the first lesson for Trinity Sunday: wisdom spoke of being the Creator's daily delight, of how she rejoiced in the *'inhabited world and delighting in the human race.'* The sight of those three dogs was an absolute delight. But the quick sketch (which I shared with the congregation) seemed a bit crude. So, later in the day I made another.

How strong the urge is to want to parcel things out, to say 'that means this' or 'this means that', to tidy things up. I realised that the second drawing – the tidied-up version- was probably unnecessary, because the first sketch had an immediacy of line that was sufficient to the experience itself.

Anyway, I offer them both to the BVN – a memory from Trinity Sunday, a recollection of three collies shaking around in the back of the UTV and one of the dogs delighting at thrusting its head into shocks of Queen Anne's

Lace and each of the three creatures co-existing in a nimbus of sunlit water. Sheer delight.

We wish **Ryder and Heather Rogers** every blessing as they set out on their summer travels, celebrating their mid-August Golden Wedding Anniversary: God Speed and God Bless.

## FROM THE REGISTERS

**Laura Margaret Newell** and **John Levis** were married at St Mary's Church, Litton Cheney on 14th May. The service was conducted by the **Rev Canon Paul Harris**, a friend of the bride's family in front of a church packed with friends and family. With a Gin themed wedding, and a strong rugby connection in the congregation Paul managed to combine the elements of distillation, the wedding at Cana and rugby in his address. After the final hymn, photographs were taken in the glorious sunshine and the wedding guests walked through the village to the Reception.

## BENEFICE NEWS

### ST MARTIN'S CHURCH SHIPTON GORGE

#### SOMME CENTENARY REMEMBRANCE SERVICE

St Martin's Church Shipton Gorge will be marking the centenary of the outbreak of the Battle of the Somme in the First World War with a special Remembrance Service at 5.30 p.m. on **Sunday 3 July 2016**.

The battle started with the disastrous opening offensive of 1 July 1916, a day on which the British army suffered over 57,000 casualties of whom over 19,000 were killed, and finally came to an end on 18 November 1916. Please join us as we remember all who fought and died in one of the costliest battles of the Great War, particularly the men of our county regiment, The Dorsetshire Regiment.

### MESSY CHURCH JULY 2016

Please don't forget that we shall be meeting on **Sunday July 10<sup>th</sup>** and then on the *second* Sunday in every month. This is to provide one informal service each week in the Valley for people of all ages.

After our service in July, we're planning to have a picnic lunch together in the park (or in the hall if it's raining) so come prepared!

In June we began looking at the three aspects of prayer (sorry, please, and thank you). We focused on forgiveness by looking at Peter's wonderful experience of being forgiven by Jesus. We reflected that sometimes we make things worse for ourselves by continuing to remind ourselves of things we've said or done that we deeply regret.

Corrie Ten Boom, an amazing Dutch lady who survived a Nazi concentration camp had this to say:

*"God has taken our sin. He has thrown it into the sea of forgetfulness, and he has posted a sign that says, 'No fishing allowed.'"*

### BRIDE VALLEY FLEDGLINGS PRE-SCHOOL

Well another academic year draws to a close and this term we say goodbye to 14 fledglings children, some moving on within the school into Thorner's and others to Burton school and other local schools.

We also say goodbye to **Julie** who has worked at

Fledglings for 3 years, thank you for all you have done for Fledglings. On the 22<sup>nd</sup> June we had our teddy bear's picnic in the discovery area – more on that next time as it hasn't actually happened at the time of writing.

On 3<sup>rd</sup> July we are holding a barn dance in association with the TSA. Do come along for great food, great dancing and hopefully a great time. Tickets on the door.

We are having our end of term party on 16<sup>th</sup> July – all parents/carers welcome to come and join in the fun. We will have a bouncy castle and a special performance from “Strawberry Jam”.

Have a safe and happy summer!

*We are open Monday to Friday 9-3.30 and have spaces for autumn 2016. Have a look at our web site for calendar updates, our photo gallery and all the information about Fledglings that you need.*

## THORNER'S CE VA SCHOOL

**Fledglings:** I am delighted to say that our governors have approved integrating Fledglings pre-school into Thorner's.

There are several bureaucratic procedures to be completed and we are working towards a start date of 1 September. The pre-school will then be managed by us and the staff will be part of Thorner's staff. We do not expect major changes in the day-to-day running of the pre-school, which was rated 'Good' at its last Ofsted inspection in May 2015.

Bredy went **fossil hunting** at Charmouth.

Eggardon had a great time on their residential at **Leeson House**.

Year 5 children went to **Ford Farm** and helped to hand press a giant 'Coastal' Cheddar base to start the first layer of our '**Cake for the Queen**'. They then completed the cake which was unveiled at our celebration for the **Queen's 90<sup>th</sup> birthday**. The younger children made cheese biscuits

using cheese kindly provided by the cheese factory. (see page 31 for more info). One of the Chesil children won a prize for the Local Food Links 'Design a Cake fit for the Queen's 90<sup>th</sup> birthday' competition. All the Chesil and Litton children enjoyed cupcakes as a treat. Thank you, Kitt!

**Eggardon's celebration assembly** displayed their superb maypole dancing which they had practised and performed for the village fete. We had a special assembly by **Julia's House**. Issie, who had raised a fantastic £303 at her **Tug of War fundraiser**, presented her cheque – well done, Issie! We had a special assembly by Vicar Stephen around our **value stones**. Vicar Stephen also came to our Discovery Area and was joined by several children to listen to and discuss **stories from the bible**.

Eggardon have been making **animations**. Please do look on the website.

We won the Bridport and Beaminster **Kwik Cricket** tournament and went on to win the West Dorset finals! Yippee! We will now play the County finals at Bryanston. Year 5 went to Colfox for a **sports festival**. Eggardon have started 6 weeks of **cricket coaching**. The children are enjoying **swimming** in school.

The **tennis court** is now open to parents and friends of the school. Families are welcome to use the tennis court at weekends and during holiday time, at a charge of £20 per family for the year 2016. All those paying will be given the combination for the lock.

Children starting Reception in September were in Litton for a **taster session**.

The **Splashathon fundraiser for the pool** went really well. 30 children participated and swam an amazing 478 lengths between them. So far, we think the total raised is **£425**.

Fledglings are using the pool too, every Wednesday after school.

**100 Club:** Winners First Half Summer Term were:

£20 - Bruce Maltby

£10 - Pam and Ken Citroen

## BURTON BRADSTOCK CE VC SCHOOL

As I write this report we have just returned to school for the last half term of the academic year. So far this half term there have been a number of different sporting activities on offer to the children. Class 4 visited the **Sailing Academy on Portland** where they had a fantastic time learning to sail. They also had **cricket sessions from students from Colfox** as well as a cricket coach to teach them different skills. Children in Year 4 visited Colfox to take part in the **Tri-Golf festival** and Year 5 pupils have also been to Colfox to enjoy the **Sport Festival** which is organised and run by the older students. We continue to have a very popular **after school football club** which is run by some parents and a volunteer. Nearly two thirds of the school attend this club after school on a Friday and we are grateful to our volunteers who run it and to the parish council for allowing us to use the village playing fields at this time.

There was great excitement at school when Sails Class, with Reception and Year 1 pupils, received a royal delivery – **a letter from Buckingham Palace!** Earlier in the term each child made a birthday card for the Queen to celebrate her 90<sup>th</sup> birthday and then the class made a trip to the village

post office to post them. They were delighted to receive a letter from the Queen's Lady-in-Waiting and a card with a photograph from the Queen!

Class 3 ended last half term with their residential trip to Leeson House. They had a fantastic time and were very lucky with the weather. Taylor, Year 3, commented, "My favourite part was the boat trip where we saw Old Harry Rocks and Poole Harbour. I also liked the dinners. My favourite meal was pizza!" Whereas

Nathaniel commented, "I enjoyed the minibeast hunt, pond dipping and the night walk. I wish we could have stayed for the whole week."

## **ABBOTSBURY & PORTESHAM BRANCH**

In June, during the charity fund-raising tour organised by Des Baker to Orkney, which coincided with the commemorations of the Battle of Jutland one hundred years ago, the group took the opportunity to lay a **Poppy Posy at the memorial** in Lyness Cemetery, Hoy, which is to the officers and men of the ship *HMS Hampshire*, carrying Lord Kitchener to Russia, when it sank after an enemy inflicted explosion just off Orkney.

**1<sup>st</sup> July** marks the anniversary of the first day of the **Battle of the Somme**, where in four months the British suffered 420,000 casualties, the French 200,000 and the Germans half a million. For events taking place see both local and national press.

On **13<sup>th</sup> July** we shall have a **Fish & Chip Supper & Games** evening at Portesham Village Hall starting at 7 pm. Non-members are welcome (£2.50 per person). Hot drinks will be available but for something alcoholic please bring your own, and a glass! Book with the writer please.

There will be a **Branch Committee Meeting** on **21<sup>st</sup> July** at 7.30 pm followed by **The Social Fund Meeting**. Observers are most welcome. Committee members are reminded to inform the Secretary if unable to attend.

The previously advertised tour of France & Belgium (in aid of charities) has **been cancelled through lack of bookings, caused mainly by people's** reluctance to visit those countries in a year which has seen bombings in both capital cities.

**National Memorial Arboretum**, Alrewas, Staffordshire. This place is now run by the Royal British Legion on behalf of the nation. It is a place of pilgrimage which everyone should visit at least once in their lifetime: the Branch has already run one 3-day visit there and we are contemplating

doing so again in the autumn. At this time we wish to know what sort of response is likely, so please help us to organise something on behalf of those people who have approached us and asked us to consider another visit; you can help by letting us know, without any obligation, if you are at all interested in going, after which we will keep you informed of what is being organised. There is no necessity to belong to the Legion in order to take part, it is open to anyone, so please call or email Des Baker on 01305 267617.

*Des Baker, The Social Fund Chairman 01305 267617 or "aveswood@sky.com"*

**Local MP Oliver Letwin** recently learned first-hand about the work of Home-Start West Dorset. Trained volunteers support families in difficult circumstances. The volunteers visit their allocated families for 2 to 3 hours a week, for as long as necessary, helping parents to enable their children to flourish. The scheme currently has 69 volunteers, and supports over 40 families. The aim of Home-Start is to work with families before they need other agencies.

Mr Letwin was impressed by the level of commitment shown by the volunteers and spent time talking with two volunteers.

Glynis has experienced Home-Start from both sides. She contacted them for support when she and her family faced difficulties. She explained that volunteers really help families, by providing non-judgmental support and friendship, and building up trust over time. "Home-Start is a unique service, and it is very valuable".

Mike is a parent volunteer and treasurer of the Trustee Board. Mike described how Home-Start benefits volunteers, not only by enabling them to help others in their community, but also by giving them accredited training and the opportunity to gain transferable skills.

During the visit, the Trustees described the ongoing challenges of securing funding and the increasing number of families with complex needs. While more volunteers could potentially be recruited, difficulties in finding sufficient funding would be the restricting factor. Mr Letwin outlined Government thinking on preventative initiatives, and the development of a Life Chances Strategy.

Caroline Scott, chair of the Trustees, said "We were pleased to welcome Oliver Letwin. We were able to have a meaningful and informed **discussion. It's good to know he fully supports our work and that what we do fits well with the government's new strategy around Life Chances. We shall hope for additional practical support in the future**".

This year marks the 60th anniversary of Creeds Design & Print. 60 years ago John Creed, a young farmer, wanted to give up milking cows and muck spreading and turn his printing hobby into his life's work.

**John's passion began in the 1940s when he was given his first printing set.** In his teens he learned the basics at after school printing lessons at Bridport Grammar. While still at school he produced stationery and cards for family and friends.

His parents encouraged his industrious sideline - he worked all day on the farm at Broadoak and spent his evenings printing. However, they were not **so impressed when he announced he intended to 'live the dream!'** and start his own printing business.

In 1957, business was booming. John was working from an outhouse on the farm where the machines were petrol driven as there was no electricity in the Marshwood Vale. John moved to another premises and business grew rapidly as he invested in the latest equipment.

**From the outset Creeds was a family business, as Marilyn Harrison, John's daughter and now a Director of Creeds, remembers: 'our parents instilled a strong work ethic within us and we helped in the works from an early age, composing type, stapling draw tickets, tidying the works. When I went to school the teachers were puzzled when I started writing at the right hand side of the page and working backwards as we did when setting type on the composing stick!'**

In 1973 the first computers were installed, followed by desk-top publishing in the 1990s. **By 2005 the firm had 20 employees and gained "Investor in People" status. It was praised for business performance, customer**

satisfaction, development of its people, low staff turnover and a highly motivated and committed workforce.

A lot has changed since the presses first started running. The business relocated to Gore Cross Business Park in Bridport nearly 3 years ago to benefit from high speed broadband and a more customer friendly location. Since the move, Creeds have purchased new high-spec equipment, and IT resources. Printing has changed dramatically over recent years with technology and the internet, and small individual print companies like Creeds are a rarity.

## LITTLEBREDY

VILLAGE CORRESPONDENT:

email: [pwbridehead@btinternet.com](mailto:pwbridehead@btinternet.com) Tel: 482232

many congratulations to an who organised and took part in the excellent village celebrations of Her Majesty's 90th birthday year on the cricket ground on the 4th June. The winning "bake-off" cake stretched the definition of Victoria sponge to unimaginable limits, dozens of dogs seemed fully to enter

into the spirit of their competitions and the event as a whole, and numerous villagers and guests of all ages enjoyed a sunny and sporting afternoon. It was a wonderful Littlebredy day.

There will be three Church services here in July. As well as the regular 2nd and 4th Sundays in the month, it is our turn to host our neighbouring parishes in the Valley to the United Benefice 5th Sunday service on Sunday 31st July as well. At the time of writing, this seems likely to take the form of a Benefice Churches' bespoke commemoration of the Royal 90th year, so we hope for a good attendance from Littlebredy and other congregations.

It seems by now to be a fairly open secret that a third series of ITV's popular "Broadchurch" is in the making, and that Littlebredy will be providing some key locations. Those who saw a number of the production company's vans in the village at the end of June may also have caught glimpses of Olivia Colman, David Tennant and other cast members in the Bridehead grounds. The company will be returning to film other episodes of the drama here in due course, and we hope all concerned enjoy and appreciate the village.

## 100 MILE WALK

The following appreciative message was sent to **Sara Winter**, who liaised with the organisers of the walk. It seemed appropriate to include it in the magazine, with Sara's permission. The Long Distance Walkers' Association is interesting and more information will be included in a later edition of the B. V. N.

*Dear Sara*

*As I am sure you have realised, the whole event went really well. I think it is now assessed as being one of the very best LDWA 100 mile events. The weather was fantastic*

*The "Dorset 100" proved a much tougher event than some expected. 492 people started, and 347 finished. But, many of those who had to retire (drop out) did so at the later checkpoints, having completed an astonishing distance. Apart from the usual problems with feet, one of the main reasons for dropping out appears to have been heat exhaustion. So, that completion rate is considered quite acceptable by the LDWA. This is not an easy event for beginners - it is intended to be a serious challenge walk, which is part of the attraction, and why so many people enter. If everyone finished, it would be considered to demonstrate an insufficient standard of challenge.*

*One of the successful participants (who I think you were introduced to, at the checkpoint) was a pleasant young American woman who is working in Cambridge. She had never been to Dorset before, and thought it was a beautiful county. Her father had flown from Washington DC to support her. He met up with her at some checkpoints, I think to make sure she was in safe hands. (of course she was) She seemed as fresh as a daisy at Long*

*Bredy after 90 miles and was enthusing about the lovely countryside and beautiful Dorset villages . Her father (who I think had never visited a village hall in rural Dorset before) was very impressed by what he saw. We saw her at the finish, and she hopes to go to North Yorkshire for next year's 100 mile event.*

*North Yorkshire LDWA (who ran the checkpoint) were delighted with the hall and the support from you and your village.*

*Many thanks*

*Mike Childs*

## A BIG THANK YOU

**Rosemarie, Albert** and family would like to say 'thank you' to all who helped, supported and sent donations to help **Charlie** raise funds for his Scout expedition to Kenya next year. Over **£500.00** was raised towards his flight to Kenya.

A date for your diary is a Bingo evening on **Friday October 21<sup>st</sup>** in Long Bredy Village Hall. More details will follow later.

## PARISH COUNCIL

There will be a Parish Council meeting on **July 11<sup>th</sup>** at 7.00pm in the Village Hall. Come and hear your Councillors' views on the local issues being discussed.

## YOUNG LONG BREDY

We would like to include items from younger residents who have interesting hobbies or experiences to share. The BVN is for everyone and many older residents enjoy knowing what younger people in the village are doing.

**May Smith** started the ball rolling last month with two of her photos; she has now written a paragraph about herself for the magazine.

*"I go to the Sir John Colfax Academy in Bridport, where I am the school photographer. I am very passionate about photography and love to do as much as possible. I am extremely pleased to have the chance to take photos for the Bride Valley News, especially as I am only 13 years old. I think photography is an amazing skill as you are capturing a moment in time.*

*I am happy to help with any local photos or enquiries about photography."*

Thank you, May. It will be good to see more of your photos in the magazine in future, and maybe on the Long Bredy website.

## A FUN EVENING

Everyone who enjoyed the Italian evening organised by **Chris** and **Caddie Sitwell** last year will be delighted to know that they are organising another such event (but not necessarily Italian) on Saturday, **July 23<sup>rd</sup>**, at 7.00pm in the Village Hall.

If you missed the food, drink, raffle and 'find the treasure game' last year, don't miss out on the fun this year.

## BOOK CLUB

This month's book was **The Narrow Road to the Deep North** by **Richard Flanagan**, winner of the man Booker Prize, 2014. Its main focus is in a Japanese prisoner of war camp on the Burma Death Railway and the central character, Dorrigo Evans, a surgeon, struggling to keep his men alive. It is the story of one man's reckoning with the truth, and other characters' ways of reconciling themselves with the past and the present. The writing explores the terrible contrast of cruelty and deprivation meted out, alongside some of the captors' appreciation of Japanese culture and beauty. We found it a moving but gruelling read. Flanagan's father had been a prisoner of war in Burma and died the day he completed the novel.

## HOLY TRINITY CHURCH, SWYRE.

### MAY UNITED VALLEY SERVICE

We were delighted to be able to welcome over 50 friends, family and visitors to our United Valley Service on 29<sup>th</sup> May. The full Church gave an inspiring sense of community and fellowship borne out by the joyful singing which included

**Bob's Bride River song.**

Stephen spoke perceptively of the concept of a river being the gateway to eternal life and he ended by suggesting that Bob was indeed just a stride away across the River Bride.

The service continued with the dedication of the new altar frontal **“worked in gratitude for the ministry of Bob Thorn”**.

At the close we continued the celebration with coffee, tea and a pic-nic in the Church garden.

A memorable day for us all and many thanks are due to everyone who helped to make it so.

*Holy Trinity P.C.C.*

## PUNCKNOWLE, SWYRE AND WEST BEXINGTON LUNCH CLUB

Our next meal will be on **19<sup>th</sup> July**. Anyone wishing to join us or those who have booked a meal and cannot make it please telephone **David Buckland** on 898492. New members are always welcome. If you would like to join this popular social event and are over 50 years of age please get in

touch and I will be pleased to explain anything about the club you wish to know.

We are still in need of volunteers to assist with the cooking; it is only one Tuesday each month to serve between 25 and 30 members. Many thanks to those who have come forward for help with the setting up of the hall for the diners and clearing up afterwards. The club provides a great social opportunity for many who do not always have opportunities to meet up. If you could spare the time to help with this worthwhile activity you would be most welcome. Please contact **David Buckland 898492** and I would be pleased to answer any questions you may have.

## ST MARY'S CHURCH

On Sunday 3<sup>rd</sup> July the gardens at The Old Rectory will be open in aid of St. Mary's, by kind invitation of Emily and Richard Cave. 2.00 p.m. - 5.00 p.m. Admission £5 -

Children free. Dogs admitted on leads. Teas available.

Our next church and churchyard working party will be on Thursday 7<sup>th</sup> July from 9.30. There is always plenty to do in the summer months, so please come and help, if only for a short time.

## LITTON CHENEY FETE

Blessed by those rare manifestations of a British bank holiday, sunshine and warmth, the Litton Fete and Dog Show on 30<sup>th</sup> May welcomed more than 400 visitors, many of them accompanied by dogs of all shapes and sizes.

The barbecue again proved popular, and despite having considerably more **stock than last year still sold out**. **Thorner's School pupils gave their usual** proficient display of maypole dancing, and then it was time to fill the gap between lunch time burger and afternoon cream tea by watching the Dog Show, ably judged by **Bob Blackstock** and **Cynthia Hart**. Owners and dogs alike enjoyed the informal classes, and Best in Show went to **Simba**, entered by Annie and Izzie. Stalls, games, rides and teas all did a good trade, with the Bottle Tombola and the Plant Stall proving particularly popular.

The Prize Draw was well supported, both by advance purchasers and visitors entering on the day, and the winners were:

Asus tablet	Brian & Jennie Prentice
Voucher for Summer Lodge, Evershot	Lyn Lacey
Voucher for The Manor, West Bexington	Beryl Peach
£25 Cash	Philip Howard

A **big thank-you** from the PCC to everyone who helped before and on the day, whether it was setting up and taking down, donating cakes, bottles, plants and bric à brac, buying tickets for the Prize Draw, entering the Dog Show or simply coming along to enjoy themselves. The day raised **£3800 for the St Mary's Church fabric fund** - a splendid result.

## NEIGHBOURHOOD PLAN – TIME TO STAND UP & BE COUNTED

At the Annual Village Assembly in May we were given a presentation concerning Lodgers' experiences in putting together a Neighbourhood Plan, and as a result of that meeting and the views expressed we are now looking to put together a steering group who will look at the possibility of developing a Neighbourhood Plan for Litton Cheney. To do this there is a need for talented individuals within our community to stand up and be counted, i.e. volunteer to get involved. If you believe you have something to give to this project please contact **Bill Orchard** (482669) or **John Firrell** (482313)

## LITTON CHENEY'S BUS SERVICE IS UNDER REVIEW!

Litton Cheney's twice a day, Monday to Friday, bus service is under review and may therefore be under threat. Dorset County Council need to save £1.85m from transport services next year and bus service 210 which serves Litton Cheney is one of the services under review. Once lost it will surely never return. Go to [www.dorsetforyou.com/bus-services-review](http://www.dorsetforyou.com/bus-services-review) to have your say or get a paper survey from your local library or by calling 01305 221088. Most importantly, if you know someone who uses the bus service make sure they know about this consultation. Remember, you may not use the bus service now, preferring to use a car, but there may come a time when using a car is not an option. Now is the time to speak up. It may be too late a few years down the line – SOB (Save Our Bus). **The closing date for comments is Friday 22 July.**

## LATCH AGM HELD ON 5<sup>TH</sup> MAY

Chairman thanked all the committee members for their work during the year, and villagers for their help on the maintenance days and throughout the year. This is essential to keep costs down and maintain the excellent appearance of the Hall and help attract potential hirers. Hiring income up, weddings a significant part of the income. Maintenance costs beginning to “kick in” (Floor refurbishment..£3500) so a rolling maintenance schedule is being developed to assist budget planning.

All existing committee members were reappointed. After 10 years of excellent service **Freddie Spicer**, announced that he wished to stand down as Treasurer at the end to the current financial year in 2017. We now have a vacancy for someone to take on Freddie’s responsibilities. Please contact **Freddie, John** or **Ron** for a chat if you are interested in this excellent opportunity to assist LATCH and your community.

## LITTON CHILDREN ATTEMPT TO BAKE THEIR WAY TO BUCKINGHAM PALACE!

Year 5 students at Thorner's School in Litton Cheney have taken part in an initiative which could see them winning an exclusive trip to Buckingham Palace in September. The children were involved with the creation of a **spectacular birthday cake in honour of Her Majesty The Queen's 90<sup>th</sup>** birthday and was unveiled at a party at the school on June 10<sup>th</sup>. The cake was created in conjunction with local cheesemakers, Ford Farm, to give it a **unique 'cheese' based theme and flavour.**

**Ford Farm's Creative Consultant, Tanys Pullin** helped the children to craft a genuine spectacle worthy of winning the coveted trip to Buckingham Palace. The cake comprised several tiers of Ford Farm cheese including a **giant 'Coastal' Cheddar base which was hand-pressed** by the children. A cave aged cheddar layer was transported to the Wookey Hole Caves for maturing by the children. One layer, a fruit cake was baked and iced by the children in school. Each of the cheese layers were dipped in red and blue wax and together with the white iced fruit cake, came together to produce a traditional British red, white and blue theme. The cake was also decorated with red, white and blue flowers fashioned from wax by the children.

The photos of the top five winning cakes will be made into a montage and presented to Her Majesty, The Queen as a birthday souvenir.

Please join us as we remember all who fought and died in one of the costliest battles of the Great War, particularly the men of our county regiment, The Dorsetshire Regiment.

## PARISH COUNCIL

### BUS SERVICE THREAT

The bus through our village into Bridport is again under threat from the latest transport review by Dorset County Council. There is a consultation on this which it is really important that you take part in, particularly if you are a regular bus user. You can either do it on-line by going to <https://www.dorsetforyou.com/travel-dorset/bus-services-review> or contact your local library or Hilary Cunningham at Old Manor Farm (897928) for a printed copy to complete. If we are to keep our bus service we must all make the effort to make sure that we let Dorset County Council know what a lifeline it is for many residents. The Parish Council will itself also be making representation but it is the voice of those who use and rely on the bus, along with other concerned residents, that will

really make a difference, **SO PLEASE DO THIS TODAY** as the Consultation closes on **22<sup>nd</sup> July**.

**Following the council's annual meeting in May the following appointments were made:-**

Chairman – **Mary Boughton**,

Vice-chairman – **Richard Cunningham**, Chairman of Playing Field

Committee – **John Porter**;

Chairman of Planning Committee – **Richard Cunningham**.

There are currently two vacancies for parish councillors, please get in touch if you are interested in having more information on getting involved in village life by becoming a councillor.

The next Parish Council meeting will be held on Wednesday 13<sup>th</sup> July at 7.30pm in the hall. Everybody is welcome to attend.

## ST MARY'S CHURCH FETE

Thursday 4<sup>th</sup> August 2016 at 2.00 pm

August 2016 will see another spectacular programme of

entertainment in Burton Bradstock. During the afternoon of Thursday 4<sup>th</sup>, **there will be the celebrated Church Fete in the Rectory Garden.....** *we book our holidays around the day of the Fete, as visitors say!*

The Church Fete is a truly traditional village affair, with fun and entertainment provided by a non-politically-correct **Punch and Judy**, a once-in-a-year opportunity to view the surrounding countryside from the top of the church tower, a chance to see the beautiful church flowers, to indulge oneself with scrumptious cream teas and to enjoy a large variety of stalls and games. **St Swithun's Band** will provide a melodious miscellany of background music.

The Fete will once again include a **Fun Dog Show**, with classes such as the

Waggiest Tail, the Most Handsome Dog and the Best Six Legs. Come and enter your pooch and win a rosette!

**All proceeds will go to the Fabric Fund of St Mary's.**

Although the Church Fete plans are well advanced, contributions are still needed, so clear out your wine cellars, bookshelves, attics and garages and/or make items for the following stalls:

- Books Stall:** Chris & Gaye Sundt (898531) – no magazines or videos/cassettes. Items can be collected, left or delivered on the day;
- Bottle Tombola:** Richard Ferré (897648) would like to receive wine, beer and soft drinks, at least a week in advance for labelling;
- Cakes & Preserves:** Betty Champkins (897419) and her team would be pleased to receive home-made items;
- Cards & Crafts:** Barbara Pursey (897496) – crafts, cards & stationery please;
- Children:** Irene Smith (897020) would welcome toys, games, **crayons, children's books, fancy dresses;**
- Nearly New:** Elizabeth Wigglesworth (897083) is looking for good quality gifts;
- Plant Sales:** Peter & Pat Broomhead (897408) would like to receive plants;
- Produce Sales:** Peter Colbert (897922) – any fresh garden or allotment produce (flowers & vegetables);
- Water into Wine:** Julian & Irene Piper (898603) are seeking empty plus full wine bottles (only screw top).
- Bric-a-brac:** Chrissie Bailey (897603) will collect items or you can leave at Graston Farm, Annings Lane;
- Grand Draw:** Liz Orza (897451) would welcome non-perishable items for a food hamper plus other items for prizes;
- Auction of Promises:** Janet Pearson (898346) would welcome donations that can be bid for during the afternoon.

Volunteers are always welcome to help with running stalls – if you have not been contacted and would like to help, ring **Liz Orza** (897451) or **Jenny Malyon** (898768). Extra pairs of hands are also welcome to help set up tables, gazebos, bunting, etc from 8.30 am and to clear the Rectory Garden at the end of the afternoon.

Loans of Gazebos on the day, for sheltering stall holders against the hot sunshine, would be welcome!

## BURTON BRADSTOCK W.I.

Summer is upon us, we hope, and a Barbeque was arranged in June – but **as the BVN goes to press before the event, we don't know whether the sun shone!**

At the May meeting, **Rob Curtis** told us all about the **Tolpuddle Martyrs**. Part of Dorset's history, the injustice of their punishment is well known, but misfortune dogged them for most of their lives. In Tolpuddle there is still a museum and memorials to them, so they will not be forgotten.

The coach trip to Portsmouth on 12<sup>th</sup> May was voted a success by all the participants. It was a day of rain and thunderstorms, but while we were in Portsmouth, we enjoyed warm sunshine and all attractions were open to us. The Spinnaker Tower was popular with its spectacular view and the challenging glass floor at 100 metres up. Some visited the Historic Dockyard, others spent more time in the Shopping Centre at Gunwharf Quays.

At the meeting on **12<sup>th</sup> July**, **Mervyn Sharpe** will tell us about his **English Channel Swimming Days**. There is no meeting in August.

Any woman living locally is welcome to come to a meeting before deciding whether to become a member (contact secretary, 897648).

4 varieties of vegetables in a seed tray, a vase of sweet peas,
